

GRACE

NATURAL EXCLUSIVITY

 **LANDMARK**

CERAMICS
TROPICAL
TILE & MARBLE

"Precious" is gathering of porcelain tile collections that interpret precious and elegant materials. Prestigious, pure, enchanting, the surface meets contemporary and classic architectures exalting their style and elegance. The decorative power of the graphics and colors ensures impressive results for breathtaking projects.

A new landmark in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain tiles.

GRACE

NATURAL EXCLUSIVITY

Grace is an elegant collection that combines tasteful tone-on-tone coloring with the strength of the best porcelain tiles, bringing a restrained elegance to an array of aesthetic and design requirements. The warmth of alabastrino travertine is reflected in tiles delicately traced with different colors, conferring a natural airiness to projects of interior design.

INSIDE

CONTEMPORARY

EXCLUSIVITY

NEW TRAVERTINE & ALABASTRINE INSPIRATION

The collection redefines the concept of exclusivity by proposing soft colors for walls and floors, with hues carefully chosen to decorate modern rooms where intriguing contemporary architecture meets the sophisticated beauty of natural stone.

A TALE OF AUTHENTICITY AND ELEGANCE

The subtle veining flowing across the porcelain surfaces of Grace confers an exquisite versatility and total naturalness to projects of modern interior design. With a range of decorative elements proposed in the latest forms, such as elegant herringbone patterns, the collection focuses on the natural markings of marble for both wall and floor tiles.

STRIKING AN IMPRESSIVE CHORD

With its delicate tone-on-tone color palette, the Grace collection creates eye-pleasing chromatic combinations. Precious mosaic tesserae are placed alongside different sized tiles within the same space to fashion exclusively refined interiors. The traditional essence of the stone meets the most modern architecture, giving designers complete creative freedom.

ELEGANCE OVER EXCLUSIVITY

The Grace collection contains mosaics composed of small and exquisite tesserae that create highly unique and expressive surfaces, allowing designers to decorate space with original shapes and forms, playing with traditional and herringbone patterns. The wall and floor tiles in the collection are crisscrossed with delicate and natural-looking veins to bring a distinctive and subtly sophisticated touch to every room.

ENERGY EFFICIENT

Tile's inherent thermal mass reduces peak heating and cooling, which helps moderate temperature swings in your home.

Sustainability

ECO-FRIENDLY AND SAFE

Sustainability

FLOOR HEAT FRIENDLY

Sustainability

WATER PROOF

Tile is very compact and impervious therefore doesn't absorb. With tile you'll never have to worry about water.

Safety/Durability

FIRE PROOF

Tile doesn't burn, melt or give off toxic fumes when exposed to fire.

Safety/Durability

PREVENT BACTERIA GROWTH

Tile is completely inhospitable to bacteria. That means no mold or mildew, and a healthier home for you.

Health

SCRATCH RESISTANT

Tile is strong, hard and resistant to most type of scratches.

Safety/Durability

FADE RESISTANT

Tile is stable chromatically over time.

Safety/Durability

DOESN'T BEND

Tile is hard and compact.

Safety/Durability

ZERO ALLERGENES

Tile is both hard and impervious therefore inhospitable to dust mites, bacteria, fungi, mold and other irritants.

Health

ZERO FORMALDEHYDE

Formaldehyde is known to lead to an increased incidence of asthma. Tile has zero formaldehyde.

Health

VOC & PVC FREE

ZERO PVC ZERO VOC

Tile is completely PVC and VOC (volatile organic compound) free that means a healthier home for you.

Health

PET FRIENDLY

Tile is both dog and cat scratch proof.

Safety/Durability

RESISTANT TO FROST

Tile is snow and ice proof.

Safety/Durability

RESISTANT TO ACID

Safety/Durability

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

RECOMMENDED USE

Grace is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Grace is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer. Landmark recommends the use of leveler for a proper installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Grace tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcsusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcsusa.com.

PHYSICAL PROPERTIES	TEST ASTM	NORTH AMERICAN STANDARD A137.1*	RESULTS
